I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

Comments: My ability to obtain a custom prescription  
from Colley Pharmacy in Colorado sent to me in Chicago  
is a major factor in my continuing excellent health at age  
72. This prescription has meant tremendous cost for  
my health insurer and for the entire health care  
system, except perhaps to drug companies.  
Please do not remove this choice for me.
